1. Data Collected

We may collect name, email address, billing address, IP address, and usage data via Google Analytics.

2. Purpose of Processing

Data is processed for order fulfillment, license delivery, tax compliance, customer support, and analytics.

3. Data Storage

Customer data is stored on secure VPS servers hosted by Namecheap and within Stripe systems for payment processing.

Billing data is retained for 10 years in compliance with Portuguese tax law.

4. Data Sharing

We do not sell personal data. Data may be shared with Stripe, hosting providers, and Google Analytics.

5. Your Rights

Under GDPR, users may request access, correction, deletion, restriction, or portability of their data.
