1. Scope

These Terms govern the purchase and use of digital products sold on cshuds.com, including HUD files and custom HUD development services. All products are digital goods.

2. Products

Products are delivered either instantly after payment confirmation or manually upon completion of custom work. No physical goods are sold.

3. License

Customers receive a non-exclusive, non-transferable, non-sublicensable lifetime license.

Redistribution, resale, sharing, or reverse engineering is strictly prohibited.

cshuds.com reserves the right to revoke licenses in cases of abuse.

4. Payments

Payments are processed securely via Stripe. VAT is applied where legally required under Portuguese and EU law.

5. Custom Work

Delivery is considered complete once digital files are provided. Payments for custom work are non-refundable once development begins.

6. Liability

Products are provided as-is. cshuds.com is not liable for compatibility issues, game updates, misuse, or bans resulting from improper use of third-party software such as HLAE.

7. No Affiliation

cshuds.com is not affiliated with Valve Corporation or Counter-Strike. All trademarks belong to their respective owners.

8. Governing Law

These Terms are governed by Portuguese law and applicable EU regulations.
